PETITIONING THE COURT

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 5/1/2023 and 6/20/2023.

On November 2, 2022, Mr. Estrada's conditions of supervision were reviewed by the probation officer and he signed said conditions acknowledging an understanding of his requirements.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

6

Special Condition #3: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: The offender is alleged to have violated special condition number 3, by ingesting a controlled substance, marijuana, on or about June 27, 2023.

On June 27, 2023, Mr. Estrada submitted a urine specimen at the U.S. Probation Office that returned presumptive positive for marijuana. At that time, he signed a denial form indicating he had not used said substance.

On July 5, 2023, the probation officer contacted the offender after the above-referenced urine sample was confirmed positive for marijuana. At that time, he adamantly denied intentional use of marijuana, but stated that he recently discovered he may have ingested food at a friend's home that contained marijuana.
